

Dear Parents,

We wish you a “happy new month”. We pray that the month will be a fulfilling one for everyone of us.

We welcome our new friend Dezi. Welcome to the Infant Room; we assure you of a great learning experience.

We have had a beautiful time learning so much with a lot of outdoor activities like stroller time, walking exercise and playground time. In the classroom, we had a great time learning about our theme “All about me” and most of our friends are able to touch and name parts of their body with the aid of the nursery rhyme ‘My head, My Shoulder, My Knees, My Toes.....

For recognition of colours, we have been working on colours Red and Yellow.

In Numeracy, we have improved in our counting numbers 1-5 and identifying numbers 1 and 2 which we will continue to reinforce.

In Knowledge and Understanding of the World (KUW), we are learning how to use a spoon (co-ordination from hand to mouth).

In Physical Social Emotional Development (P.S.E.D.), most of our friends are learning how to walk on a straight line. All these activities help the children develop fine gross motor skills, communication and social skills etc.

A LOOK AT THE NEXT TWO WEEKS

By next week we will be introducing a new theme “FARM ANIMALS” which would last for 4 weeks. We would also continue to reinforce our theme (ALL ABOUT ME).

Introducing animals and the sounds they make

Reinforcement of numbers 1 and 2.

Teaching the children how to drink from a cup without spilling.

Picking and throwing balls into the basket.

Teaching the children how to tidy their classroom and work nicely with the learning materials.
