## NEWS FROM MRS DANIEL'S CLASSROOM

It's hard to believe we have come to half of the term already. Sometimes it is also hard to imagine how much we have learnt and changed within such a short period of time. The children have all grown so much and are now very settled. Our new friends Ikem, Zitara and Desire have all blended in perfectly with our activities and are recording great milestones. Our study for the half term was centered on; "My Family" and the children have been learning to identify their mummy, daddy, brother and sister through the aid of the family pictures provided. Some of them can now recognize and even call the names of their brothers /sisters through the pictures.

For colours, most of us can now identify the colours 'RED and Yellow', though we mix them up sometimes. Please help re-inforce the colours learnt so far at home.

We are becoming more aware of sounds around us i.e the sound of car horns, sound of the generator, sound of a baby's cry, sound of rain fall, sound of running feet etc, all these will help our understanding of 'phonics'.

In practical Life, most of the children have learnt to:

- Open and close a door nicely
- Sit and stand up from a chair nicely
- Carry a chair gently

In communication and Language, the children get very excited during story time and love to sing nursery rhymes. The children are also learning to feed themselves and drink water nicely without spilling. Indeed, they have done so well this term and should be commended.

Our older friends would not be in school on Friday 13th and Monday 16th; they would be on mid-term break.
