

Dear Parents,

### HAPPY INDEPENDENCE AND HAPPY NEW MONTH

It is hard to believe we have been in school for about four weeks now. It has been a great learning experience thus far. The children are becoming familiar with their work. We are practicing counting, blending, sounding, problem solving, language skills and social-emotional skills through the power of play.

It is amazing to see the children develop their social skills so quickly. They are an energetic and creative group of children that are happy exploring all their learning areas. It is indeed a delight to see so many smiling faces each day.

A BIG THANK YOU to all our new parents who attended the New Parents Orientation. We also want to appreciate all of you for dressing the children up so nicely for our National Day Celebration. It was a day of great fun as we learnt new things about Northern Nigeria.

We welcome our new friend (Uzoma) into our lovely family and we know you would have a lovely stay with us.

Over the weeks we have learnt the following:

**LITERACY:** Writing the phonics sounds/letters v, g, j and ng and associating them to their objects

Identifying, tracing, writing and matching the upper to the lower case letters

Identifying, blending and making the diagraph/phonics sounds: ai, oa, ee, or with their associating words.

**Communication and Language:** Learning the origin and meaning of our names and our friend's names was fun.

**Mathematics:** rote counting 1-200

Filling the missing numbers 1-50(individual ability)

Identifying the colour Green

Identifying the 2D shapes- Square and Rectangle

Simple addition with small numbers

**K.U.W:** Getting to use the map to find our way from home to school and also using the world map, atlas and globe to find the 7 continents.

**P.S.E.D:** It was fun talking about our feelings: what makes us happy, sad and angry.

### A LOOK AHEAD

} Introduction to phonics/ diagraph sounds sh, ch, fl. Writing rhyming words with 'at' and 'an'. Introducing the vowel sounds 'e and o' in words.

} Identification of numbers 1-50. Writing numbers 1-150. Number names 1-7. The rainbow colours.

} Stories from North and South America: U.S.A, Brazil, Canada, Chile

} Spelling drill

} Posters and pictures showing scenes from other countries

} Talk about festivals and celebrations done in other countries

### Kindly Note:

- Monday, Wednesday and Friday are juice free days; kindly pack fruits and water with their snacks.
- All homework sent home should be done and homework diary duly signed.

THANK YOU!!!!!!!!!!!!!!!!!!!!!!
