NEWS FROM MS TESSY'S CLASSROOM

Happy New Year Parents!!! It indeed is a year of limitless possibilities.

We welcome our new friend (Ese): we are glad to have you in our class.

What an exciting time we are having in Pre-School 1. Our theme for the term is 'THE THINGS WE WEAR' and we have learnt so many things like:

The cloths we wear on our body: - SHIRT (long & short sleeve), TROUSERS (long & three-quarter, SKIRT (long & short), DRESSES (long, short, ball), SUITS (trouser and skirt).

We have also learnt how to care for our cloths-By Washing, sunning, drying and ironing. We had fun during the practical session on 'washing our cloths'.

We also saw some materials used in making cloths and can now identify them---Needle, Sewing Machine, Tape and Thread.

In Knowledge of The World, we are learning about living and non-living things and most of us now know that- Man, Cats, Dogs and Flowers are living things and chairs, tables, books are examples of non-living things.

In Numeracy, we are reinforcing our numbers and are currently counting 1-70 and identifying 1-15. We are also counting in 2's and counting backward from 10-0.

For colours, most of us can identify all the primary colours and secondary colours (pink, orange, purple, brown, gold, white and black)

Our exercises on identification of shapes is on-going. We are reinforcing the following shapes (Cone, Pyramid, Sphere, Cube).

We have also had fun with our PHONICS and are identifying phonic letters 'C,R,M,E,D,H with their associating objects.

A look At Next Two Weeks

we would be looking at interesting topics like:

- Our Theme: The cloths we wear: Underwear (pants, vest, and singlet), different types of footwear and how to care for them.
- Knowledge of The World: Life cycle of a Human being: From infant to old age
- Literacy: Identifying and writing upper case letters 'A-E', phonic sounds g,o,u,I and their associating objects.
- Numeracy: Rote counting 1-80, simple addition with objects. Colours: (grey, gold and all the other colours learnt so far).
