## NEWS FROM Ms Tessy's Classroom

Dear Parents,

Welcome to the last term of the session in Preschool 1, it's hard to believe the session is already almost over.

Our theme for this term is "SEASONS" and it has been so much fun for all of us in these past few weeks. Most of us can now tell the different seasons in Nigeria – Dry (hot) and Wet (rainy) seasons and also the four(4) different seasons in the world – spring, summer, autumn and winter using pictures for illustration.

Knowing how to care for ourselves during each of these seasons has also been very interesting. We learnt that we should drink lots of water and fluids wear sunshades during the hot season: use an umbrella, rain coats, warm clothings when the weather is wet/cold.

In Numeracy, we are becoming perfect at counting our numbers 1-90, writing numbers 1-50, filling the missing numbers 1-30, identifying numbers 1-30 and our 3D shapes are not left out. We are becoming good at identifying, sounding, blending, reading and writing our simple sentences with 2 phonics letters and also identifying and writing upper case letters A-Z.

Places you can visit in summer/dry season were not left out (going to the beach, water park, camping, having a picnic) and the children had a blast in their picnic outing which held in the school: they all came in with their picnic baskets, mats, snacks, drinks, sunshade, hats and lots of games were played (tug of war, number games, fill in the basket and limbo dance).

## LOOKING AHEAD

- \* Things we wear during seasonal walk
- \* Comparing growth of plants during different times of the year
- \* Identifying & writing the upper case letters N-Z, introducing the phonics letters/sounds: ai, j, oa, ie, ee, or & its associating objects
- \* Rote-counting of numbers 1-100, writing numbers 50-100, sorting objects with same or different sizes, identifying numbers 1-50 and money.
